INSTRUCTIONS.

1. Any Officer of the Sedentary Militia, wishing to resign his commission, either on account of old age, sickness or infirmities, should send a written application to the Officer commanding the Battalion to which he belongs, and the latter should send the said application to the Adjutant General's Department by the ordinary channel of communications for Militia affairs.

2. According to the article 7 of the General Order of the 17th November, 1862, the Brigade Major of each Military District shall be the channel of all communications addressed to Head Quarters for Militia affairs, both Sedentary and Active.

3. Retirements and resignations will be permitted at the conditions mentioned in the following General Order :

HEAD QUARTERS,

Quebec, 3rd June, 1861.

MILITIA GENERAL ORDER.

SEDENTARY FORCE.

HIS EXCELLENCY THE GOVERNOR GENERAL AND COMMANDER-IN-CHIEF is pleased to direct that the following regulations be enforced in future on all occasions when officers in the Sedentary Militia are permitted to retire from the service, or whose resignation of their commissions may be accepted, viz :

Officers in the Sedentary Militia under the rank of Lieutenant-Colonel who may apply for permission to retire from the service for reasons which His Excellency the Governor General and Commander-in-Chief may deem sufficient, and whose request in consequence may be granted with approval of their past conduct, will be permitted to retire retaining their rank after 10 years service in the Militia—and after 15 years service when permitted to retire under the above named circumstances, will be granted an honorary step of rank above that they have previously held—but officers who resign their commissions in the Militia for their private convenience, and whose resignations may be accepted will not, as a general rule, be allowed to retain their rank.

By Command of His Excellency the Right Honorable the Governor General and Commander in Chief.

A. DE SALABERRY, Lt.-Colonel,
Deputy Adjutant General of Militia.

4. By order of His Excellency the Commander in Chief, dated 27th August, 1862, it was directed that in future no commission is to issue for the appointment of an Adjutant of a Battalion, but that the appointment to that office is to be made by letter from the Adjutant General's Department.
